“COURAGE TO INTERVENE PROMISE”

I will stop my friends and loved ones from driving buzzed, drunk, or drugged.

I will not ride with them if they are under any kind of influence and will encourage others to do the same.

I will stop my friends and/or family from using their cell phones while driving.

I will not risk my life to keep others from killing themselves or someone else.

I will have the Courage to Intervene...

Because I Care
